

NORTH REGION

TEXAS RECREATION & PARK SOCIETY

2022 SPONSORSHIP OPPORTUNITIES

Dear Friends of the Texas Recreation & Park Society North Region,

The Texas Recreation & Park Society North Region and 2022 Planning Committee are in the planning stages for this year's TRAPS North events, fundraisers and networking opportunities.

The Texas Recreation & Park Society North Region is comprised of over 75 parks and recreation agencies and more than 900 members that include decision makers, planners, maintenance staff, and event coordinators. These dedicated professionals are looking for new ways to work more effectively and creatively. To meet these needs, the North Region hosts a myriad of events across the region. Events highlighted are the annual Conference, Maintenance Rodeo and Golf Tournament. Vendors will be able to promote their products, knowledge, services and build relationships with the professionals who attend these events.

By taking advantage of sponsorship opportunities with the Texas Recreation & Park Society North Region, your business will be able to maximize exposure to the members and partners of TRAPS, while showing your support and dedication to the region. With a variety of sponsorship levels available, there is a sponsorship option available for businesses of any size.

Outlined in this Sponsorship and Partnership Packet you will find a variety of options fit for your business.

Should you wish to commit or have any further questions or concerns, please feel free to contact me at the information provided below. We look forward to working with you.

Heather K. Lambert
TRAPS North Region Director

TRAPS NORTH EVENTS

CONFERENCE

The North Region Conference provides educational and networking opportunities for TRAPS members and related professionals. Conference attendance exceeds 500 professionals and provides ample opportunities for vendors to promote their products and build relationships. The 2022 North Region Conference is scheduled for Thursday, November 3, in Irving, Texas.

GOLF TOURNAMENT

The TRAPS North Regional Golf Tournament is one of the highlights of the year! Over 140 professionals converge in one location for golf, networking, and fun. Many municipal directors and managers play in this event. The 2022 TRAPS North Golf Tournament will be held Friday, October 21, at the Dallas Cowboys Golf Course in Grapevine, Texas.

PARK MAINTENANCE RODEO

The TRAPS Maintenance Rodeo allows teams from the Region to compete in a variety of maintenance competitions. This fun and educational event is attended by more than 200 maintenance staff and managers. The 2022 TRAPS North Maintenance Rodeo will be hosted by City of Irving at the Irving Soccer Complex on Thursday, October 13.

BENEFITS

The TRAPS North Region events could not be held without vendor assistance. The North Region Planning Committee has worked for years to set high standards to meet vendors' needs in relation to promoting their products, services and networking. Event partnership packages have been developed to maximize vendor exposure with these professionals. There are varying sponsorship levels to provide options for showcasing the value and benefit of vendors' products and services. Sponsors will be provided every opportunity to develop relationships with professionals in a fun and relaxed setting. Besides meeting professionals, event sponsors will be able to set up displays and strategically display their logo in high density areas and on event postcards and schedules.

GET INVOLVED

We've limited the amount of sponsorship opportunities to reduce competition and give sponsors greater exposure to TRAPS professionals. Please review the following sponsorship levels listed on the accompanying pages and let us know which one best meets your needs. The 2022 TRAPS North Region Sponsorship Committee is excited to offer you these opportunities. If you should have any questions, please contact us at your convenience. Thank you for your support!

CONTACT US

For more information on becoming a Vendor or Sponsor, please contact Heather Lambert, TRAPS North Region Director at 972-205-2772 or HLambert@garlandtx.gov
