# SPONSOR WITH US

## GET INVOLVED

To ensure maximum value for our sponsors, we have limited the number of sponsorship opportunities, reducing competition and enhancing exposure to TRAPS professionals. Please review the sponsorship levels outlined on the following pages and select the option that best aligns with your goals. We are excited to offer you an exclusive opportunity to connect, engage, and showcase your brand to key decision-makers in the Parks & Recreation industry and look forward to partnering with you!

## BENEFITS

The TRAPS North Region events would not be possible without the generous support of our vendors. The North Region Planning Committee has worked diligently to offer customized event partnership packages at various sponsorship levels.

In addition to networking, event sponsors will:

- ✓ Gain brand recognition through event signage and promotional materials
- ✓ Interact directly with Parks & Recreation decision-makers
- ✓ Participate in event activities, strengthening connections with attendees
- ✓ Demonstrate their products and services to a targeted audience
